[REDACTED] The memorandum is currently classified.

g. Three unnumbered FBIS memoranda dated 14 April 1975, 18 December 1978, 19 November 1980 and 3 December 1980, three of which are classified Confidential/NoFORN and one classified Secret, all of which concern the [REDACTED]

h. FBIS memorandum dated 18 December 1978 and classified Confidential/NoFORN. [REDACTED]

3. Please review the attached material and return with any additional comments so that we may advise the Offices of Security and General Counsel of your determinations. We have been requested by the Department of Justice to complete our review as quickly as possible since Chin's trial is scheduled for sometime in January 1986. The DO review should focus on the sensitivity of the compromised material at the time the documents were disseminated since it is assumed that the material was passed to the Chinese within a few months.
